

# Annual Report 2020-21

With the college medium being shifted online due to the COVID-19 pandemic, The Internship Cell team, under the able leadership of Akshar Kesari, Ishika Garg, Priyam Moonka, Shanayaa Suneja, Sneha Grover as the Chief Coordinators and the tutelage of the esteemed Convenor Ms Amita Aggarwal, has successfully culminated the academic session of 2020-21.

## OPPORTUNITIES

Throughout the year the Cell managed to circulate as many as **279 companies offer internship opportunities** which included work from home, part-time and full-time internships being offered to the college students with an aim of providing them with corporate exposure. The Internship Cell portal saw an overwhelming response of over **2000 applications across the batches of 2021, 2022 and 2023**. Out of these, around **400 students were offered the internships of their choice**.

Through the year, the team procured Internship opportunities from all segments of the industry including Consultancy, HR, Marketing, Finance & Data Analytics, IT, Business Development, Research, Content writing, etc.

This academic session saw some highly acclaimed corporate organisations like **Flipkart, Motilal Oswal Investment Services, Godrej, Bajaj Capital, D.E Shaw & Co., Shannonside Capital, EY, Deloitte, Radisson Blu, IIFL Securities offer internships to the students of Hansraj College** through the Internship Cell.

The interns were also offered lucrative stipends, the highest offer being worth INR 40,000/- (Financial Research Intern at D.E Shaw & Co.) and many others like Nation with NaMo, IHS Markit and Sukalpi Brainworks offering stipends in the ballpark of INR 25,000/-. The average stipend for the session stood at INR 8,500/-.

During the Internship Session, the Internship Cell has registered a substantial number of students. This included 803, 543, and 417 registrations from First, Second and Third year respectively.

### **SEMINARS, WEBINARS AND SESSIONS CONDUCTED**

The Team at The Internship Cell has always believed in providing opportunities for overall development. To achieve this goal of ours, we collaborated with numerous entities like **EY, FutureX, Career Launcher throughout the session and successfully organized seminars, webinars and workshops** in a profusion of topics like financial awareness, career building, digital marketing, CV building, and so on.

### **THE INTERNSHIP FAIR, 2021**

The Internship Fair is the annual flagship event of the Internship Cell. Owing to the unprecedented crisis of COVID-19 pandemic, the Internship Cell conducted the Annual Internship fair on a virtual platform.

The Internship Fair, 2021 saw a **participation of over 45 companies**, including some highly acclaimed corporate names such as **IIFL Securities Ltd., Zee Media, DishTV, WhiteHat Jr., Outlook Group, Josh Talks**. Internship opportunities ranging across a variety of profiles like Finance, Research, Marketing, Human resources, Content Writing, IT, and many more were offered to the participating students.

The event was open for undergraduate students across **Pan India colleges**. The event saw an overwhelming response of students with around **4500+ registrations** from students of Delhi University as well as other prestigious institutions like Mumbai University, Christ University, Bangalore, St, Xaviers', Kolkata, Loyola College, Chennai and many more.

The event was a 3-day event. The company representatives interacted with the students over the Q&A sessions held. The Q&A sessions saw an overwhelming turnout with an average of 100 students per session. There were over **12,000 applications** out of which **4300+ students were shortlisted for the further rounds of the selection process**.

Through the year the Cell managed to spread awareness regarding Internships and also placing opportunities at the students' perusal in an effort to make them ready and sufficient for the corporate world along with increasing its corporate reach.
